Happy Anniversary

B.A.P. SCANS' 4TH YEAR CELEBRATION

BAP is already 4 years old, woah--! I haven't had the pleasure of being with the group for that long, but I'm very grateful to have been able to join the team and meet such great people :smiley: Everyone works really hard to get chapters for current projects out, and I feel really proud to be a part of that effort. Special kudos to Sally for pulling everything together and stepping up as our leader :heart: She's the real MVP. Congratulations, BAP Scans, let's go as long as we can ^^

I wish BAP a Happy Anniversary it's been only a year since I've been here. I've met many people, although most are gone. It's sad that the founder resigned, but I hope it'll stay strong as it continues to live on through old and through prosperous times. xD... I have no idea, just happy birthday!
